2017-18 Sponsorship Drive
Center Grove Middle School Central
4900 W. Stones Crossing Road, Greenwood, IN 46143

Dear _____

All students will enter a personalized message here

As a music department we are holding a sponsorship drive in conjunction with community service projects to meet our financial needs. As a part of our project, we will participate in community service projects throughout the year to make your donation extend further than our music department. We believe these projects are a great way to help others in our local community and show our gratitude for your financial support of music education in Center Grove! We could meet our needs if each sponsor gave just \$15.00, but any amount would be graciously received. Please see the chart below for the sponsorship levels that will be included in each of our concert programs based on your donation.

Thank you for your generous support of music at Center Grove!
